<p>*Our BackPack Program is a type of take-home food program for children. The purpose of the program is to provide a weekly sack of shelf-stable food to get students through the weekend when school meals are not available to provide nutrition. Our mission is to alleviate hunger among low-income children in the Siouxland area. The Food Bank of Siouxland could use help with funding and volunteering time filling sacks (volunteer groups of 10-12 necessary). Call Katie at 255-9741 for details or to sign up your group.</p>					1	2
